

Indian Hill Parent Liaison Group  
Mission Statement  
Adopted April 2014

The Parent Liaison Group or PLG is a non-commercial, non-sectarian, and non-partisan organization created to promote the general welfare of all the students and to enhance the learning experience for the children at Indian Hill School. The PLG with parent, guardian and Indian Hill staff involvement is looking to develop a closer relationship between school and home. We are improving the learning environment and supporting the staff at Indian Hill School by providing volunteer and financial support.
