**Project Graduation is a national commitment to our senior students to provide an alcohol and drug free all-night party on graduation night.** Holmdel High School introduced Project Graduation in 1991. The graduates will be provided with a full array of fun entertainment, continuous food and drinks, topped off with a continental breakfast.

The success of this event depends on a team of student and adult volunteers who work throughout the year to plan the Project Graduation party and help with the fundraising. **We need adult volunteers from all high school grade levels.**

There are many opportunities to help, please **CHECK** where you are interested:

- Become a member of the Project Graduation committee.** The committee is composed of student and adult volunteers who meet once a month on Tuesday evenings to plan activities and fundraisers related to Project Graduation.
- Purchase ShopRite and Stop & Shop Gift Cards.**  
Contact [Holmdelprojectgrad@gmail.com](mailto:Holmdelprojectgrad@gmail.com) for more information.
- Volunteer to be a Project Graduation chaperone.** Chaperones are needed at the Project Graduation event from around 9:00 PM until 4:30 AM. Parents of graduating seniors cannot chaperone.
- Volunteer to help with Project Graduation check-in.** On graduation night, volunteers are need from 9:00pm to 11:00pm to move the graduates through the check-in process.
- Write a Check.** We realize that many people who would like to help simply do not have the time. This will help augment the fundraising efforts. I am enclosing a check made out to **HHS Project Graduation.**
