## **Holmdel Creative Arts Association Membership**

The Holmdel Creative Arts Association (HCAA) is the parent support group for the arts in the Holmdel school district. The HCAA advocates for the ongoing development of the fine arts, graphic arts, television and film production, photography, music, dance and theatre. We recognize student accomplishments by granting scholarships to graduating seniors in the above disciplines. We also purchase needed equipment for all students involved in the arts in Village School, Indian Hill School, W.R. Satz School and the Holmdel High School.

**Last year we gifted over \$10,000 to the district, and provided scholarships to 7 deserving students!**

**All children in the district benefit from the HCAA!**

The HCAA raises funds through membership dues, events such as our Teacher Talent Show and Karaoke Night, the sale of dedication plates on the HS auditorium seats (Take a Seat Campaign) and concession sales at district arts events.
