Ready to roll! We are so happy to be getting underway with our wonderful returning students and families, a fantastic group of new students and families, and the most outstanding staff! I am very excited to help lead Village School forward with you for the 2012-13 school year. In November, prior to conferences, a reminder about your specific day/time will be sent home with your child.**

Parental participation is one of the biggest reasons our children are so successful. The connection built between teachers, parents, and students is key for children to achieve in all aspects of school. Please make sure you keep the lines of communication open throughout the school year. By working together as a team, our students will be the ones who reap the rewards.

I would like to thank everyone for the wonderful support you have shown, in preparing your children for a great school year. We are off to a great start, and I am very much looking forward to a wonderful year. I wish you the best, as we begin this journey together for a fantastic 2012-13 Village School experience!

President's Report

Dina D'Ambrosi

It's hard to believe that summer is over and a new school year is underway. The PSA was busy all summer getting ready to host some very fun events. There are a lot of opportunities coming up for you to meet new friends or reconnect with old ones. Some of the great events we have planned include Welcome Back Olympic Night, Kindergarten Family Night and Ladies Night Out, just to name a few.

The PSA provides fundraising and activities throughout the school year for your children. All proceeds that the organization raises go directly back to Village School. Many events are being planned for the upcoming school year and our success rests with you.

Our first PSA meeting will be **Tuesday, September 11th at 9:30AM** in the **All-purpose Room**. We welcome and encourage everyone to attend to learn about what is happening at Village School. There will be updates from our Principal, Brian Schillaci. The PSA also invites other Holmdel organizations so you not only know what is happening at Village School but around the town as well. Our goal is to keep you as informed as possible because we want to make this school year a great experience for everyone.

PSA meetings are generally held the second Tuesday of each month at 9:30 in the All-purpose Room, so mark your calendars.

It's a great year to become a member! This year members will receive special member benefits at many of our events including member only raffles! Membership is only \$5 and includes the entire family, regardless of the number of children enrolled. Membership and donations are a great way to support the school if you are not able to volunteer your time and are very appreciated. To join now, just click on www.holmdelparents.org.

Our first member special will be a raffle for all families who become members by September 30, 2012. So join today!

If you are able, it's a great time to get involved! We have so many opportunities for you to help us with the fun. If you would like to join us in making Village School a more rewarding experience for your children, please do not hesitate to contact Dina D'Ambrosi at PSApresident@live.com or 732-946-9764 or Darlene Kiss at deeand68@comcast.net or 732-264-5559. It would be a privilege to discuss volunteer opportunities with you.

These early years at Village School will be memorable ones that both you and your entire family will cherish and we look forward to seeing everyone in the upcoming school year.

Best Wishes,

Dina D'Ambrosi

Going to Kindergarten can be a scary adventure. A new building, new friends, and all kinds of new experiences can be overwhelming for our children as well as us. That is why the Village School PSA has put together the **KINDERGARTEN SURVIVAL GUIDE**. Click on the below link for very useful information to make this new milestone a lot easier to navigate.

FROM THE HFEE

HOLMDEL FOUNDATION FOR EDUCATIONAL EXCELLENCE
65 McCampbell Road, Holmdel, New Jersey 07733

Dear Parents,

With the 2012—2013 school year quickly approaching, the **Holmdel Foundation for Educational Excellence (HFEE)** is reaching out to ask for monetary support for its ongoing mission to provide critical enhancements to the Holmdel School District curriculum not otherwise available through public funding. The enhancements the HFEE offers afford students increased educational opportunities that amply prepare them to meet 21st century challenges.

The HFEE proudly supports all academic areas including the arts, sciences, languages and athletics at all grade levels for the overall benefit of Holmdel District students. Since it was founded in 1996, through the generosity of our supporters, the HFEE has raised over one and a half million dollars. This money has gone directly back to the students in the form of innovative programs, advanced learning tools and materials and improved equipment. Our philosophy of working in close cooperation with the Board of Education, administration, teachers and a diverse group of community based organizations and individuals allows the HFEE to make the most positive impact possible on student education from every dollar donated.

In the past three years, the HFEE has donated the All-Digital World Language Lab at the Satz/High School complex, outdoor classroom amenities at the Village School Rain Gardens and a state-of-the-art stage sound system for the High School Auditorium. The HFEE has also awarded approximately \$50,000 for teacher/student mini grants during the same period.

The margin of excellence at Holmdel District Schools is becoming increasingly more difficult to maintain due to state mandated budget caps and reduced state aid. This is why we need your support now more than ever. Please make a tax-deductible contribution to the HFEE at a level you deem appropriate and have your name added to our annual "Honor Roll" either by completing the form below and mailing in with your payment or by simply holding down the Ctrl button while clicking on [Donate Now](#) to pay on-line.

We also encourage you to inquire about corporate gift matching.

We wish you and your children a productive and exciting school year and look forward to meeting you at school, an HFEE Fundraiser or in the community.

Very truly yours,

Teresa Graw
