

PSA Minutes

1/11/11

- 1.) January 20th- Next school store
- 2.) PSA is working with Staples to coordinate school supply boxes for grades 1-3
- 3.) The historian, Cheryl Schachel is looking for pictures to use in the memory book. She is low on pictures from the first day of school and will take pictures for all special events as well. Please forward them to her at clschachel@yahoo.com or leave them in her PSA mailbox.
- 4.) Box top competition ends February 23rd. One class in each grade will win an ice cream party (or a "safe treat" party if you have an allergy-alert class). Please make sure the teacher's name is the box tops so you get credit for it.
- 5.) If you have a Shop Rite or Stop and Shop bonus card you can go online and register it to Village school so the PSA can earn points every time you use it.
- 6.) PSA collects old cell phones and printer cartridges, so if you have any you would like to get rid of bring them up to the main office!

Not much else to report!

**** If you have any news / information that you would like to share with the PSA, i.e., engagement, wedding, baby news etc., please let me know.**
