We have Executive Board Positions open so please fill out the forms if you are interested put it in a sealed envelope, label it and put it in the office box. We have a Nominating Committee consisting of 2 Executive Board Members, 2 Appointed Board Members and 1 Regular Member. There are a few things that can happen we could have no one who applies and we would have to try to find someone. We could also have two people for the same position and we could either vote or see if someone is willing to take another open position. We would always contact the person and let them know. We want everyone who is serving on the Board to have fun and happy.
