

SATZ PSG

PARENT SUPPORT GROUP

Join the SATZ Recycling Brigade

Satz has partnered with "Terracycle" to promote our **GREEN EFFORT** in school.

Satz is collecting empty containers of all types of beauty products:

shampoo/conditioner bottles, cream bottles & tubes, shaving cream cans, deodorant sticks, make-up & much more. Terracycle will donate money back to Satz for each recycled item received. Terracycle recycles these items into new products which saves numerous items from ending up in landfills.

PLEASE SEND IN YOUR EMPTY CONTAINERS!!!

A collection bin is located in the main vestibule upon entering Satz School.

This Program is Sponsored by the William R. Satz Parent Support Group
