

Dear Class of 2020 Families,

As your child enters senior year, plans have already begun for **HHS Project Graduation**; a safe, drug and alcohol free overnight celebration following the graduation ceremony on Thursday, June 18, 2020. For over 25 years, it has been a tradition at Holmdel High School.

Our annual fundraising goal of \$20,000 will allow for multiple activities which **may include**: a mechanical bull, caricature artists, henna tattoo artists, magician, photo station, laser tag, hypnotist show, casino, basketball, raffles, etc. Plus unlimited food and drink!

Each year we rely on family and business donations as well as fundraising throughout the year (i.e., coupon book sales, Shoprite gift cards, graduate lawn signs). Please visit us on **Facebook @Holmdel High School Project Graduation** to keep up with our progress. All donations are appreciated!

## Due by **OCTOBER 4th** SPONSORSHIP OPPORTUNITIES
