Wednesday, September 4- First Day of School School! First Day Pointers

Patience is required the first few days as the buses settle into the pick-up and drop-off routine. As soon as the kids arrive at school, there are parent volunteers to help the students off the bus and to their classrooms for the first few days!

Dismissal Procedure

Bus: The teachers will bring all children to the bus.
Pick Up: Please send one note with your child to the office to establish the child's every day plan, as well as an additional note to the office on days that the typical plan is altered. Please DO NOT email your teacher midday, as they may not have the ability to check email while teaching. Your child will be dismissed at the end of the day from the gym. You will need to sign in at a table in the hallway past the office before picking up your child.
