

Dear Business Owner,

Holmdel High School Project Graduation has been a tradition for our seniors for over 25 years and we are hoping that you will consider contributing to this important annual event. As you can imagine, this year it was very difficult for us to fundraise and we are determined to give our seniors the same experience previous senior classes have had but we need your help.

The first Project Graduation began in Maine in 1979. Seven students from one HS lost their lives after their graduation ceremony as a result of driving while intoxicated. In an effort to prevent the recurrence of such a tragedy, the community began Project Graduation, a party that is recognized by schools throughout the country.

Holmdel High School's Class of 2021 will celebrate their Project Graduation on June 23, 2021 at Sportika in Manalapan. The event is a SAFE, CHEMICAL AND ALCOHOL FREE PARTY which, undoubtedly, has saved many young lives. Graduates are offered an opportunity to celebrate together without risky temptations.

Through the generosity of businesses/organizations like yours, we are able to offer this party, free of charge, to all of our graduating seniors. Please consider making a donation.

All donations are appreciated!

SPONSORSHIP OPPORTUNITIES
