

Dear Class of 2021 Families,

Holmdel High School Project Graduation is proud to offer a safe, drug and alcohol free overnight celebration for our graduates following the graduation ceremony on Wednesday June 23, 2021.

Our annual fundraising goal of \$20,000 allows us to host this event at a venue where the students can take advantage of the amenities they offer such as basketball, field games and more in addition to rentals we bring in which in the past included casino tables, mechanical bull, photo booth, hypnotist show, DJ, raffles and more. Plus unlimited food and drink!

We rely upon family and business donations as well as fundraising throughout the year to accomplish our fundraising goal. Unfortunately, this year we were unable to run many of the fundraisers we rely upon to help fund this event. We are grateful for your generous donations thus far which enabled us to book Sportika and reserve many of the "extras" however we want to give the students the opportunity to have what previous Project Graduations have enjoyed so we need your help.

Please consider making a donation. All donations are appreciated!
