

Dear Business Owner and/or Holmdel Families,

Holmdel High School Project Graduation is proud to offer a safe, drug and alcohol free overnight celebration for our graduates following the graduation ceremony on Tuesday June 21, 2022.

Our annual fundraising goal of \$20,000 allows us to host this event at a venue where the students can take advantage of the amenities they offer such as basketball, field games and more in addition to rentals we bring in which in the past included casino tables, mechanical bull, photo booth, hypnotist show, DJ, raffles and more. Plus unlimited food and drink!

We rely upon family and business donations as well as fundraising throughout the year to accomplish our fundraising goal. Please consider making a donation.

All donations are appreciated!

Through the generosity of businesses/organizations like yours, we are able to offer this party, free of charge, to all of our graduating seniors. Please consider making a donation.

All donations are appreciated!
