

Dear Holmdel Families and/or Business Owners,

Holmdel High School Project Graduation is an organization that was formed to provide a safe, drug-free and alcohol-free overnight celebration for our Graduating Seniors. We are proud to continue this tradition and will be hosting this event immediately following the graduation ceremony on Tuesday June 18, 2024.

This year we have a new venue: Adventure Crossing USA in Jackson, NJ!

Our graduates can take advantage of many activities and amenities including: 38 bays of Top Tracer Golf; separate Swing-Suite simulator bays which include multi-sport themes, Carnival Games, Dodgeball and more. There is also an unlimited arcade, Max Flight Virtual Coaster, field games on the turf including Volleyball, Soccer, Football, Cornhole, Spikeball, Giant Jenga and much more! The students will also enjoy rentals we bring in which typically include Casino tables, Mechanical Bull, Photo Booth, Hypnotist show, DJ and more. In addition, unlimited food and drink are also provided!

Our fundraising goal is \$40,000. Along with our own committee-sponsored fundraising activities throughout the year, we look to engage Holmdel families and local businesses to donate to help us reach our goal. Because of the tremendous support of our community, Project Graduation is able to offer this party, free of charge, to all of our Graduating Seniors.

Please consider making a donation to support our efforts. All donations are appreciated!
