

Holmdel Project Graduation's annual spring fundraiser celebrating ALL soon-to-be graduating classes is back!

We have a wonderful tradition in our district called *The Senior Walk*.

On the morning of Graduation Day, the Seniors, in full graduation attire, board buses and travel back as a class to walk through each school from where they once walked as students. The faculty and students of Village, Indian Hill, Satz and HHS line the hallways cheering on the Seniors. The event is inspiring to all! Check out a short clip of this tradition here: <https://youtu.be/5nySS6VnseU>

To celebrate Graduation Day in our district, please consider purchasing this special "Class of 20XX" t-shirt so that your student can wear it during the Senior Walk on June 18, 2024! We have teamed up with Empty House Designs and we are again offering our Holmdel Drawstring bag (no grad year) in addition to the t-shirts.

There is 1 pick-up option available for all 4 schools as listed in the box below and in the link here to place your order:
